

**THE NARRAGANSETT ELECTRIC COMPANY
DCFC DISCOUNT PILOT PROVISION**

1. DESCRIPTION AND AUTHORITY

- 1.1. The provisions of this tariff govern the operation of the Discount Pilot for Direct Current Fast Charging (“DCFC”) Stations (“DCFC Discount Pilot” or “Pilot”).
- 1.2. The Company shall offer a time-limited discount on the electric bills for dedicated DCFC electric accounts through the DCFC Discount Pilot as approved by the Commission.

2. AVAILABILITY

- 2.1. The DCFC Discount Pilot is no longer accepting new participants.

3. PROGRAM ELIGIBILITY

- 3.1. Accounts eligible to receive the discount under the DCFC Discount Pilot must have applied and completed enrollment in the Pilot between September 1, 2018, and August 31, 2021, and receive Retail Delivery Service on either General C&I Rate (G-02) (“Rate G-02”) or Large Demand Rate (G-32) (“Rate G-32”).

4. DEFINITIONS

- 4.1. “Commission” shall refer to the Rhode Island Public Utilities Commission.
- 4.2. “DCFC Discount” shall mean the rate adjustment in accordance with Section 6 herein.
- 4.3. “DCFC Discount Pilot” or “Pilot” shall refer to a time-limited discount on electric bills for dedicated electric accounts.
- 4.4. “Direct Current Fast Charging” or “DCFC” shall refer to a type of electric vehicle charging station.
- 4.5. “Kilowatt” or “kW” shall mean a unit of electrical power.
- 4.6. “Retail Delivery Service” shall mean the distribution of electricity or gas by The Narragansett Electric Company to its customers not for wholesale or transmission purposes.

5. TERMS AND CONDITIONS

- 5.1. Eligible customer accounts shall receive the DCFC discount on their monthly bills for a period of three (3) years beginning with the first bill issued that includes the DCFC discount and ending with the bill representing the 36th DCFC discount credited to the account.
- 5.2. Should the customer of record of an enrolled account change such that the enrolled account is terminated and a new customer of record initiates service at the same location, the enrolled account will no longer be eligible to receive the DCFC discount.

**THE NARRAGANSETT ELECTRIC COMPANY
DCFC DISCOUNT PILOT PROVISION**

6. RATE ADJUSTMENT PROVISIONS

- 6.1. The discount provided through the DCFC Discount Pilot shall be based upon the monthly billing demand as defined in Rate G-02 and Rate G-32 and used to bill the distribution demand charge on the account.
- 6.2. The discount per-kW shall be a credit value equal to the distribution demand charge per-kW in effect and as may change from time to time as approved by the Commission.

7. NOTICE

- 7.1. Modifications to the factor contained in this Provision shall be made in accordance with a notice filed with the Commission pursuant to R.I. Gen. Laws § 39-3-11(a) setting forth the amount of the revised factor and the amount of the increase or decrease. The notice shall further specify the effective date of such charges.
